Product highlights

OptiBrewSystem

Optimal relationship of temperature, brewing time and extraction.

Anti-drip System

Thanks to the drip-stop feature you can pour a cup of coffee anytime during the brewing cycle.

Anti-slip handle

The open ergonomic shape and soft-touch material provide handling comfort.

Superior flavour

Coffee aroma depends on the quality of the water. Brita® water filtration minimise aroma-impairing substances.

Auto shut-off

After 5 minutes for safety and convenience.

Technical data

Model	KF610/1
Type	3106
Colour	stainless steel/ anthracite
EAN	8021098320056
SKU	0X13211008
Power	1,100 W
Number of cups	10
Thermos jug	stainless steel
Auto shut-off	5 min
OptiBrewSystem	●
Water filtration system	PureAqua
