

**BRAUN**  
Silk-épil

The easy way  
to smooth skin for weeks.

The Silk-épil 3 is a great option for easy hair removal in a gentle way – the massaging rollers smoothly stimulate and massage your skin with micro-pulsation before and after removing the hair, leaving your skin more relaxed.

### Silk-épil 3

unavailable

Pivoting head adapts to body contours for superior comfort and efficiency

**Smartlight** reveals even the finest hair for extra thorough hair removal

**Massage rollers** gently stimulate your skin for even more comfort

**2 speeds** easily adjust to your preference and skin sensitivity

**20-Tweezer system** efficiently removes hairs by the root for long-lasting smoothness

**Soft-lift tips** lift flat lying hair and guide it to the tweezers for easier removal

**Corded use** for non-stop power
