

Get cooking quicker

This Full electric cooker heats up faster than standard ceramic hobs. So whatever you're heating – butter for scrambled eggs, oil for sausages, and water for vegetables – is ready sooner.

Product Benefits & Features

Efficient cooking

Both time and energy are precious. That's why this cooker boasts rapid heating zones, which make for saving both in time and energy.

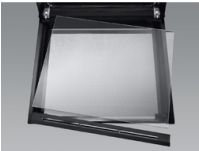

Serve up a feast at short notice

Plan parties on impulse without worrying about the canapés and nibbles - you can easily fit tray after tray into this oven's big cavity.

An ingenious design touch to make thorough cleaning easier

This cooker has an ingenious design touch – the inner panel of the oven door can be completely removed. This way, achieving that deep clean is considerably easier.

Bake more at once

Expand the realms of deliciousness with our XL Baking Tray that enables you to bake more at once. Creamy cupcakes for a mid-afternoon treat. A savoury meatloaf for great friends. More room means more great recipes.

- Cooker with electric oven and hob
