

Create the heat source you need, with this flexible, adaptable hob
Make sure you always have the flexibility you need in the kitchen. This ceramic hob has extendible multiple zones, to give you a heat source to suit every dish.

Product Benefits & Features

Evenly cooked

Thanks to ventilated heating, this oven achieves a better heat distribution, so your dishes can be cooked evenly to perfection.

Create the heat source you need, with this flexible, adaptable hob

Make sure you always have the flexibility you need in the kitchen. This ceramic hob has extendible multiple zones, to give you a heat source to suit every dish.

Guarantee delicious

The Food Sensor gives you confidence in your cooking by measuring the core temperature of your dishes. The probe will let you know when your food has been cooked as desired, ensuring consistently delicious results.

Clean up the hob with one smooth wipe

It couldn't be simpler to keep this cooker clean. The cooker has an absolutely flawlessly smooth surface – without even any knobs – so you can clean up with one wipe.

Bake more at once

Expand the realms of deliciousness with our XL Baking Tray that enables you to bake more at once. Creamy cupcakes for a mid-afternoon treat. A savoury meatloaf for great friends. More room means more great recipes.

- Cooker with electric oven and hob
- Hob type: Ceramic Glass
- Hob lid type:
- Left front cooking zone: Hilight, 1000/2200W/140/210mm
- Left rear zone: Hilight, 1200W/145mm
- Right front cooking zone: Hilight, 1800W/180mm
- Right rear zone: Hilight, 1800W/180mm
- Oven type: Electrical
- Top oven functions: Conventional/Traditional cooking, Drying, Fan cooking, Fast grilling, Moist fan baking, Pizza setting, True fan cooking, Turbo grilling
