

**Welcome to the world of professional cooking technology**

Cook like a professional, with this freestanding cooker with induction technology. It brings you those clever features, such as precise heat control, that professional chefs love.

Product Benefits & Features**Evenly cooked**

Thanks to ventilated heating, this oven achieves a better heat distribution, so your dishes can be cooked evenly to perfection.

Fast-reacting cooking

Manage your cooking processes even better with this induction hob. Induction offers both fast reaction times and precision temperature management.

INDUCTION**Clean up the hob with one smooth wipe**

It couldn't be simpler to keep this cooker clean. The cooker has an absolutely flawlessly smooth surface – without even any knobs – so you can clean up with one wipe.

Bake more at once

Expand the realms of deliciousness with our XL Baking Tray that enables you to bake more at once. Creamy cupcakes for a mid-afternoon treat. A savoury meatloaf for great friends. More room means more great recipes.

- Cooker with electric oven and hob
