

**Tailored to your needs**

This fully electric cooker is set to meet all your kitchen requirements and cooking habits.

Product Benefits & Features**Serve up a feast at short notice**

Plan parties on impulse without worrying about the canapés and nibbles - you can easily fit tray after tray into this oven's big cavity.

Keep your pans steady and the heat in the right place

With these cast iron hob supports, you can be sure your pans are stable on your cooker. What's more, these supports hold the heat, keeping your food warmer for longer.

Oven cleaning made easy

The combination of a movable top heating element and an internal full glass door, makes it very easy to thoroughly clean your oven.

Neatly accessorised

This cooker's full-sized bottom drawer offers you convenient storage space to neatly pack away your cooking accessories.

The freedom to cook as much as you want to

We've designed our baking trays to give you maximum space inside our cooker. With this extra freedom, you can cook several dishes, or larger batches, all at once.
