Clipper

E972E

Pro40 Intense Hair & Beard Clipper

Perfect tool for professional hair cuts and beard trimmings

CONSUMER BENEFITS

A clipper AND a trimmer

Clipper: 25 cutting heights

From 1 to 25 mm, with just one dedicated hair cutting guide

Trimmer: 25 cutting heights

From 1 to 25 mm, with beard special cutting guide, whose design is adapted to the face shape and hair type

Precision at the finger tips

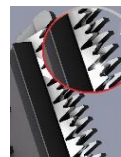

1 mm increments are selected on the built-in rotating wheel, for easy changes of style

Cutting performances

Professional hair cut

40mm stainless steel blades are sharpened to the nearest micron, for a 25% faster, even and precise cutting

Microcut Technology

Special blade design ensures the total hair capture in just one stroke, effortlessly

Lasting performances

Self lubricated blades mean no upkeep, and long lasting cutting performances

Convenience and ease of use

Versatile cord/cordless use

- Cordless use with 60-minute autonomy
- Can be used while corded on mains

Extra accessories

- Convenient storage case
- Cleaning brush for a quick upkeep after each use

Perfect ergonomics

Careful design includes angled clipping head and patterned ring, for a great grip

No compromise on hygiene

Removable blades can be cleaned under the tap, for ultimate hygiene at any time
