## MANTIS

Stereo egg-capsule earphones with microphone and answer button

### Features:

- Microphone and answer button
- Anti-tangle flat cable
- STREAMING TOP SOUND: streaming music optimization
- CLEAR VOICE MICROPHONE: calls quality optimization
- Compatibility: iPhone, Samsung, Smartphone and Tablet

## WHY MANTIS?

Cause their egg-capsule shape makes them comfortable and easy-fitting, especially recommended for the Apple –user, accustomed to this kind of design. The speaker orientation also improves sound quality and purity and the soft touch finish and capsule anti-tangle flat wire makes them elegant and pleasant to the touch.
