Water kettle

WK1100

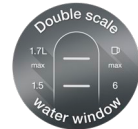

www.braunhousehold.com

Product highlights

Easy filling

You can directly fill from the spout thanks to the wide frontal opening.

Double scale water window

Boil exactly what you need, thanks to the markings for both big quantities and single cups.

Practical flip lid

Intuitive one touch opening for easy and convenient operations

Fast boiling system

Get your water boiled in only 45 seconds* with the fast boiling system.

*for 200 ml water

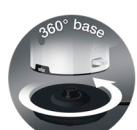

Anti-scale filter

Removable and washable, for a great cup of tea at all times.

4-way protection system

Auto-off when the temperature is reached, when the kettle is empty or removed from its base and extra stability granted up to 15° inclination.

2200 W

Technical data

Model	WK 1100 WH WK 1100 BK WK 1100 GR
Approbation Type	WK101AI
Colours	White, Black Green
SKU white	0X21010047
SKU black	0X21010045
SKU green	0X21010046
EAN white	8021098773524
