Product highlights

Integrated Bun warmer

To conveniently warm up buns and other kinds of bread.

Bread high-lift

Easily remove even small slices of bread thanks to Braun high-lift system.

Auto-centering system

Makes sure your bread is always in the ideal position, for even browning results.

Intelligent heat control

Enjoy consistent browning results over multiple toasting cycles, thanks to Braun intelligent heat control system.

Variable browning

With the 8 different settings you can choose your preferred degree of browning, no matter what type of bread.

3-in1 browning knob

Reheat, Defrost and Bun warming functions are conveniently located in the same knob area.

Technical data

Model	HT 1010 WH HT1010 BK HT1010 GR
Approbation Type	HT101AI
Colours	White/Black/ Green
SKU white	0X23010024
SKU black	0X23010026
SKU green	0X23010025
EAN white	8021098760166
EAN black	8021098760142
