

KENWOOD

FDM71.960SS - MultiPro Express Weigh+ - **WEIGH** and *create* direct to your plate

MultiPro Express Weigh+ will feel at home in your kitchen. It's the ideal toolkit to help you experiment and develop your skills. Enjoy getting creative at your own pace, knowing Kenwood's premium quality food processor will support any challenge you set yourself. Take away the guesswork with the reliable built in digital scales, exclusive to Kenwood, the accurate measurements give you peace of mind when exploring new recipes. It's powerful to handle anything you need and yet gentle for more delicate ingredients. The 1000W motor and variable speeds give you both flexibility and control.
