Product Summary:

It's time to reveal a playful side to your short styles with the hair-caring **Blow Dry and Style Caring 400W Airstyler**. No need to get your straighteners or wand out, you can dry and style in only one step without extreme heat. The Airstyler comes with two inter-changeable **attachments** to volumize and shape your hair. Adjustable **heat and speed settings** put you in control of your style, so whether you're going for lift at the roots, loose curls or fun flicks, the **Blow Dry and Style Caring 400W Airstyler** for short hair gives you the power to choose.

Paper Summary:

Stay in control of your short hair style with the **Blow Dry and Style Caring 400W Airstyler**. A choice of brush sizes and speed settings mean you can add fullness and shape to your hair as you dry it without the extreme heat of a straightener or curling wand.

Key Feature 1: 2x Styling Attachments

Your Airstyler comes with two interchangeable attachments especially designed to gently shape and style short hair.

- **19mm Brush**
The **19mm Brush** lets you have fun creating smaller curls, extra body and playful flicks even on the shortest lengths. Good for giving shape and volume to fringes too, so you can achieve your signature short hair look in one easy step.
- **25mm Soft Bristle Brush**
Use the larger 25mm brush to add volume and lift hair at the roots. It's a great brush for creating looser, more relaxed curls quickly and easily without getting tangled.

Key Feature 2: Caring 400W

Why use two appliances when you can use one? The **Blow Dry and Style Caring 400W Airstyler** dries and styles your hair in just one step, cutting out the need for a second high heat tool.

Standard Feature: 2 Heat / Speed Settings

With a choice of 2 heat and speed settings, you can personalise your styling routine to suit your hair type.

Standard Feature: Swivel Cord

The **swivel cord** design means you can move freely without getting the cord tangled as you style.

Standard Feature: Hang Up Loop

The **Hang Up Loop** means you can conveniently store your airstyler when it's not in use,

GET YOUR **YOU** ON

keeping your dresser and drawers tidy. Hanging up means it's close to hand when you need it.
