

AS7300 – Dry and Style Caring 800W Airstyler
Made to Love and Style Your Short-Mid Length Hair

Product Summary:

We've made it fast and easy to dry and style your short-mid length hair with the **Blow Dry and Style Caring 800W Airstyler**. Because you only need to use one tool to get your style just right, it's a gentler option for everyday styling, and with three Interchangeable attachments you can create a look to suit your mood. Whether you want to add volume and body, go for loose curls or sleek and smooth the **Blow Dry and Style Caring 800W Airstyler** is the fuss-free way to take your hair from 'towel dried' to 'real world ready'.

Paper Summary:

With specially designed attachments for volume, bounce, and root lift the **Blow Dry and Style Caring 800W Airstyler** is the perfect way to dry and style your short-mid length hair without damaging high heat.

Key Feature 1: 3x Styling Attachments

Your Airstyler comes with three interchangeable attachments especially designed to gently shape and style short-mid length hair.

- **25mm Ceramic Coated Mixed Bristle Brush**
Tease your short-mid length hair into smaller curls and playful flicks with the **25mm Mixed Bristle Brush** attachment.
- **38mm Ceramic Coated Soft Bristle Brush**
Want to go for a 'big hair' look? Switch up to the **38mm Mixed Bristle Brush** for extra volume and bounce. It's also good for creating loose curls and gently shaping the ends of your hair.
- **Drying Concentrator**
Prepare your hair for styling or create a sleek blow-dry finish using the **Drying Concentrator**.

Key Feature 2: Caring 800W

The **Blow Dry and Style Caring 800W Airstyler** dries and styles in only one step meaning you don't need to use a secondary high heat tool to create your look.

Standard Feature: 2 Heat / Speed Settings

With a choice of **2 Heat and Speed Settings**, you can personalise your styling routine to suit your hair type.

Standard Feature: Cool Shot

When you've almost completed your styling routine, a **Cool Shot** helps to set your style in place
