

D6077 – Remington ONE Dry & Style Hairdryer
EVERY HAIR. EVERYWHERE. EVERYONE.

Collection Summary:

Remington ONE is our new collection of multi-purpose styling tools that deliver both convenience and performance. Whether you are drying, styling, trimming, or shaving, we have the ONE tool for you. EVERY HAIR. EVERYWHERE. EVERYONE.

Product Summary:

Whether you wear your hair in a smooth, sleek style or you like to let your natural curls do their thing, the **Remington ONE Dry and Style Hairdryer** helps you achieve the looks you love with its four styling attachments: a **Slim Styling Concentrator**, a **Flyaway Tamer**, a **Gentle Drying Diffuser** and a **Curl Defining Diffuser**. The Remington ONE Hairdryer generates air speeds of up to 120 km/h for **25% faster drying**** while a **Thermacare sensor** regulates the air temperature to protect against extreme heat. A choice of **8 heat and speed combinations** helps you to choose just the right heat and power for your hair type. With everything you need to look your sleek, smooth, or curly-haired best, why style with more than ONE?

Paper summary

The **Remington ONE Dry and Style Hairdryer** has four styling attachments: a **Slim Styling Concentrator** and **Flyaway Tamer** for smoothing, and a **Gentle Drying Diffuser** and **Curl Defining Diffuser** for natural curls and waves. 25% faster drying** with 8 heat/speed combinations plus Thermacare sensor to protect from extreme heat.

Key Feature 1: Four Styling Attachments

The **Remington ONE Dry and Style Hairdryer** helps you achieve the looks you love with its four styling attachments, designed to tame flyaways, smooth straight styles, define natural curls and speed up your dry time.

- **Slim styling concentrator:** Concentrates the air, directing a precise flow onto your rounded brush to create a bouncy blow-out or onto a paddle brush for a smooth, straighter-looking finish.
- **Flyaway Tamer:** Designed for use on dry hair, this is your 'go-to' finishing tool for sleek, straight styles. It smooths and hides those irritating flyaways for a 90%* visibly smoother finish.
- **Gentle Drying Diffuser:** If you have curly or wavy hair, the Gentle Drying Diffuser helps to speed up the natural drying process. 4x faster* than air drying, it's great for when you have places to be. To use, simply hover the large open bowl over the hair's surface while a light, diffused air flow gently dries your curls or waves without disturbing the natural shape and texture.
- **Curl Defining Diffuser:** If you want to define your natural curls and waves, simply add the magnetic prongs to the diffuser bowl. This traditional curl defining attachment is a firm favourite for enhancing your natural curls and waves.

Key Feature 2: High Performance 2000W Motor.

Why spend more time than you need to drying your hair? A salon-worthy 2000W motor generates air speeds of up to 120 km/h for 25% faster drying**.

Key Feature 3: Dual Ionic System

Create a smooth, shiny finish with every blow dry using Remington ONE Hairdryer that has a Dual Ionic System distributing up to 80 million ions^ onto your hair, each time you dry, for a smooth, frizz-free finish.

Standard Feature: Thermacare Sensor

Gone are the days of worrying about heat styling damage. The Thermacare Sensor inside the Remington ONE Style & Dry Hairdryer continuously regulates the air temperature protecting your hair against extreme heat without compromising on your styling results.

Standard Feature: 8 Heat and Speed Combinations

Whatever your hair type, you can take charge of your hair drying routine with a combination of 8 heat and speed settings for precise, personalised control.

Standard Feature: Compact Size

The Remington ONE Style & Dry hairdryer has a short and balanced barrel that is lightweight for improved styling control – whether you're styling with the concentrator and a brush or diffusing your curls, it makes drying hair over a longer period of time more comfortable with no 'arm ache'.

Standard Feature: Lock-In Cool shot

Set your go-to style in place using the Cool Shot that applies a burst of cool air to your hair, helping to lock in your look.

Standard Feature: Hang Up Loop with Integrated Cord Storage

Conveniently store your hairdryer and its cord away between uses, with the Hang Up Loop with Integrated Cord Storage.

Standard Feature: Luxury Storage bag

A stylish Storage Bag protects your hairdryer and keeps all the attachments in one place – great for storage at home or take it with you when you go travelling.

Standard Feature: 3+1 Year Guarantee

Rest assured, your Remington ONE Dry and Style Hairdryer comes with a 3+1-Year guarantee, plus when you register online within 28 days, you can get it extended for an extra year****
