

**Stable temperature, always cool**

DynamicAir Technology creates an airflow, moving cool air around the fridge, so there's always a stable temperature in every corner. Preserving ingredients from losing shape or drying out.

---

**Product Benefits & Features****Consistently cool, with DynamicAir**

DynamicAir makes sure that the environment inside your fridge is kept at a stable temperature. It works by circulating cool air throughout, meaning that even when the door is opened, your food is protected from heating up.

- Appliance HxWxD (mm): 1860 x 595 x 650
- Electronic temperature control with LED indications
- Refrigerator drawer(s): 1 Full Width
- Action Cool function quickly assures the desired refrigeration temperature
- Very silent: only 40 dB
- Egg tray: 2 for 8 eggs
- Quick door opener

**Easy access with quick door opening**

The quick-opening door smoothly pushes outwards when the handle's pressed inwards. Reduce the usual vacuum and reduce pulling of the fridge door. Avoiding sticking and providing instant access.

---

**OptiSpace has a roomy interior for groceries**

Our Refrigerator with OptiSpace offers plenty of storage options both on top and in between shelves. And if you need even more room, the drawers can be easily removed to suit your specific needs.

---

**Choose fridge settings with Electronic Control**

Electronic Controls give you the ability to adjust the settings and internal temperature of the fridge

---

**Humidity Control for fresh greens**

Enjoy delicious vegetables with our Humidity Control drawer. By managing the moisture in the air, it creates the best environment to store food. Closing the vents creates the ideal space for storing herbs and leafy greens, while opening the vents gives optimum storage.
