## CVK2172S Kettle

- 1.7 litre capacity
- Easy to use
- Automatic power-off

### The perfect kettle for everyday use

With this kettle, you can easily boil water for your favourite drinks with speed and convenience. The intuitive on/off switch makes operation simple. The automatic power-off function ensures the kettle switches off once the water has boiled, for added safety. Whether you are preparing tea, coffee, or hot meals, this kettle provides a hassle-free experience every time.

### Convenient and secure design

The boil-dry protection ensures safe operation by automatically switching off the power if the kettle is used without water, preventing damage and overheating. No need to worry about monitoring the water level – the built-in safety feature takes care of it for you. Simply fill the kettle, switch it on, and let it do the rest, giving you peace of mind with every use.
