CBR2205S Toaster

- Two-slice capacity
- Adjustable browning control
- Defrost function
- Reheat function

The perfect toaster for everyday use

With this toaster, you can enjoy perfectly toasted bread every time with ease. Designed for convenience, it features a two-slice capacity, making it ideal for everyday use. The defrost function allows you to toast frozen bread straight from the freezer, while the reheat function gently warms up toast without further browning. Whether you are preparing breakfast or a quick snack, this toaster provides a simple and efficient experience.

Simple to use, easy to clean

The removable crumb tray ensures effortless cleaning by collecting crumbs for easy disposal, keeping your toaster tidy with minimal effort. With adjustable browning control, you can customise the toasting level to suit your preference, from lightly golden to crispy brown. Simply place your bread in the slots, select your preferred setting, and enjoy perfectly toasted results every time.
