Small design

Reversible doors

Easy to use

CKF2146V Combined fridge freezer

- 492 mm height
- 472 mm width
- 43 litre capacity
- Reversible doors
- Energy class E

Designed for compact living, built for everyday use

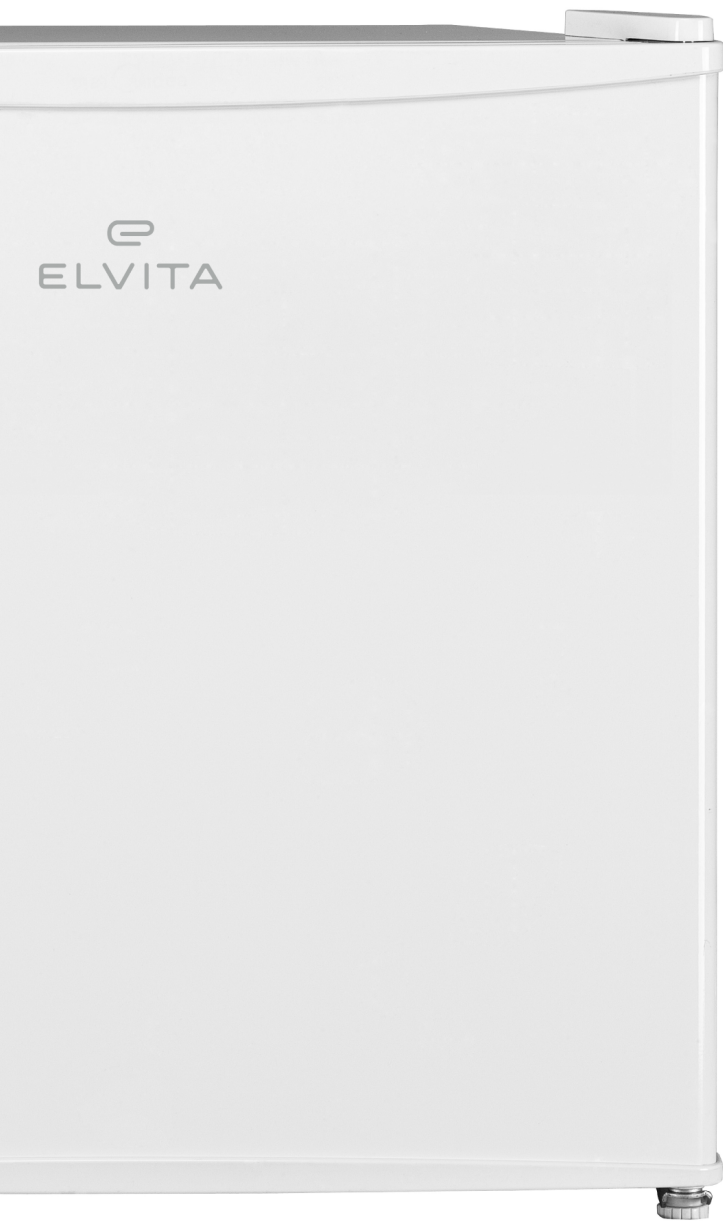

This fridge freezer is a great choice for any home that needs a compact appliance for a smaller kitchen. With adjustable feet, it stands securely on any surface. At just 492 mm in height and with a 43-litre capacity, it's ideal for smaller households that need dependable storage without taking up too much room. Perfect for those who need efficient cooling in a compact, space-saving design.

Reversible doors

With a compact kitchen, space can be a problem. However, with the reversible doors and adjustable height, you can customise this fridge freezer to fit perfectly in your cosy kitchen.

Easy to adjust the temperature

Easily change the temperature manually in both the fridge and freezer at the same time by using the temperature selector knob. This convenient fridge freezer is a truly reliable friend in every kitchen.
