CTM6214V Washing machine

- Rated capacity 12 kg
- Maximum spin speed 1400 rpm
- 14 selectable programmes
- Energy efficiency class A

A washing machine for the large household

This exclusive washing machine has an elegant black touch panel, many options, and selectable programmes. The ECO programme is designed to reduce water and energy usage, making it an environmentally-friendly option. The machine has a child safety lock and a large capacity, making it suitable for large households.

Smart and efficient washing programmes

The washing machine offers a wide variety of programmes tailored for washing clothes and textiles made of cotton, synthetics, wool, and mixed fabrics. It also has special programmes for jeans and sportswear. If you're in a rush, one of the programmes can get your laundry done in just 15 minutes. You can use the Delay feature to decide when the laundry will be done. This washing machine has everything you could ask for.

A higher level of clean with Drum clean

This washing machine offers a superior level of cleanliness with its smart Drum clean programme. It prevents unpleasant odours, mould, and detergent build-up, keeping the machine fresh and hygienic, which is essential for consistently clean laundry. Additionally, the Drum clean programme extends the machine's lifespan by maintaining optimal performance, making it an ideal choice for your home.

Create your own favourite programme

Besides the washing programmes, this washing machine has settings to adjust temperature and spin speed, set the soil level, and add a pre-wash or an extra rinse. You can save your favourite combination of settings using My cycle, your very own programme. This washer is flexible and an excellent friend for all laundry needs.

Product properties

Colour	White
Installation	Freestanding
Loading	Front loaded
Washing capacity	12 kg
Maximum spin speed	1400 rpm
Display	Yes
Automatic detergent dispenser	No
Delayed start	Yes
Extra rinse	Yes
