CIM3704S Ice maker

- 1.2 litre capacity
- Two sizes for ice
- Ice full sensor
- Touch display setting

Adjustable size

With this ice maker you can choose between large or small ice cubes, making it fit for any occasion! Thanks to the sensors the ice maker lets you know when it is full.

Convenient display

This ice maker is equipped with a touch screen display, making it fast and easy to use. No need to worry about monitoring the water level – the built-in "Add water" feature signals when you need to add more water. Simply fill the ice maker with water, switch it on, and let it do the rest, giving you peace of mind with every use.
