Door alarm

## CKF1175X Combined fridge freezer

- 595 mm width
- 1736 mm height
- 209 litre refrigerator capacity
- 113 litre freezer capacity
- Rear feet adjustable from the front

### The fridge freezer for every home

Enjoy spacious capacity and multiple storage options in this combined fridge freezer. With functional design and reversible door this fridge freezer will be a perfect match to any kitchen.

### Varied and adjustable storage options

This fridge freezer has storage options for all types of food. Whether it be keeping fruits and vegetables fresh or frozen food nutritious and tasty for a very long time in the four-star compartments, this product can do it. Both the fridge and freezer have lots of space and the glass shelves can be moved to make room for all needs.

### User- and environmental-friendly

Let the fridge freezer do the job. The fridge freezer runs quietly and is energy efficient both for you and the environment. To help you find your favourite foods, this product uses a LED light that is brighter, more durable, and more energy efficient than a standard bulb.

### Easy to adjust the temperature

Easily change the temperature manually in both the fridge and freezer at the same time by using the temperature selector knob. This convenient fridge freezer is a truly reliable friend in every kitchen.

### Adjustable feet

The adjustable rear feet provide an easy way to stabilise and level the product. With features that allow front access to the rear feet, the installation process is quick and efficient.

## Product properties
