4-star ergonomics certified iron*.

Ergonomics certified iron for maximum comfort and effortless ironing*. The unique ComfortPro handle features an optimal angle for reduced wrist stress, proving a more comfortable ironing experience.

Extra fast and compact

Designed for extra fast performance, combines the DoubleSteam technology with a compact design. Save space without compromising on your ironing results or time.

The world's first FreeGlide 3D Technology Glide backwards over any obstacle like buttons and pockets without getting stuck.

EloxalPlus

Braun's best gliding soleplate. Extraordinary glideability for faster ironing and 2x harder than stainless steel* for long-lasting performance.

50% time saving

2x more steam compared to traditional steam irons. According to internal laboratory test vs. Braun FreeStyle 3.

Removable 1.8 L water tank

Easy to refill, transport and store. Fewer interruptions for refilling, which makes ironing faster.

Eco iCare Mode

Protects your clothes with a safe temperature, using less water and energy without compromising on results. For faster, easier and more efficient ironing.

Turbo Mode

Maximum steam power and higher temperature for particularly tough ironing jobs.

Safe on garment

Safe and gentle on all ironable fabrics, protects your clothes from any burn or damage while ironing.

Easy CalcClean with reminder

Protects your steam generator, prolonging its lifespan, for long lasting performance.

2-in-1 integrated tray

Cleaning vessel is integrated in the station. Engineered for maximum convenience when descaling.

Sanitization function

Eliminate in seconds more than 99.99% of bacteria and viruses** from your clothes and home textiles.***
