Highlights

Space-saving

Our compact dual stacked Airfryer makes delicious meals simple and saves 45% of your countertop space.*

Double cooking capacity

Extra-large 10L double stack Airfryer with two 5L baskets. Our family-sized airfryer easily handles up to 1.4kg of fries, 2kg of veggies, or 24 chicken drumsticks. You can also easily fit a whole 1.2kg chicken in each 5L basket.

Vertical RapidAir Technology

Enjoy perfectly crisp and tender meals thanks to vertical RapidAir Technology. Hot air from the top circulates around your food to ensure evenly cooked meals every time.

Time function

Automatically sync cooking times in 2 baskets for meals ready at the same time.

HomeID App

Discover the Dual Basket Airfryer with personalised recipes on the HomeID app. Enjoy step-by-step guidance and access hundreds of delicious meals with tailored settings for your Airfryer.

Ceramic coating

Our next-gen coating is PFAS-free: non-stick, durable, scratch-resistant and easy to clean.

Cooking windows

Just watch as it cooks to perfection every time. With our easy view windows, you don't need to pull out the baskets to check on your food.

Shake reminder

The handy 'Time to Shake' alert reminds you to shake your food for perfectly even cooking.

Variety at your fingertips

Set time and temperature to activate one of 13 cooking methods: bake, grill, roast, and more. Or choose from 6 convenient ingredient presets to simplify cooking.
