CKM5716S Stand mixer

- Overheat protection
- Net weight 9.05 kg
- 1600 Watt
- Cooking capacity for 8 to 10 people

The multi-functional stand mixer for every occasion

With this durable and powerful stand mixer, designed to last, your homemade cooking is trouble-free and joyful. Customise the stand mixer with different accessories; find your favourite to make everyday life easier and save time.

Flexible settings and versatile functions

Find the perfect settings for your mixing experience with our modern stand mixer. The clear and intuitive LED display and simple control make it a breeze to select from one of the 12 speed settings or enjoy specialised functions such as kneading or Pulse for high-speed pulsating operation.

With the built-in scale, it makes it easy to follow recipes. Just add the ingredients into the mixing bowl, reset the scale after every ingredient with the touch of a button. Make something delicious that you can share with your family and friends.
