

2-in-1

Charging dock

Easy to use

CSD5400S Vacuum cleaner

- Powerful suction power
- Up to 60 minutes battery time
- Cordless
- Fully charged in about 5 hours

The vacuum cleaner for everyday use

This cordless 2-in-1 vacuum cleaner is lightweight and easy to use. It includes a handheld vacuum cleaner that connects to a stick vacuum cleaner. It gives strong suction for floors, carpets, and hard-to-reach areas - ideal for both quick touch-ups and thorough cleans. After use, it empties into the 2.5 L dust station to keep your hands clean and your home dust-free.
