

CHEF CLASSIC Kitchen Machine

Our Classic KENWOOD CHEF is our first CHEF. Its design draws inspiration from our familiar CHEF that you may remember your mother or grandmother owning. If you have a keen yet growing interest in cuisine and food preparation then Classic is for you.

Product features and benefits

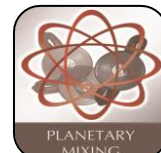

- **Nostalgic colour accents**
Distinctive colour evolves the classic Chef style for a new generation
- **Powerful 800W motor**
Maintains speed and power
- **Over 20 available attachments**
Tailor your machine to create the ultimate food preparation partner
- **Generous 4.6 litre bowl capacity**
The white acrylic bowl strengthens the nostalgia aesthetic and adds a timeless practicality.
- **Three inclusive mixing tools**
For specific baking tasks (K-Beater, wire whisk and dough hook)
- **3 power outlets**
Offer unrivalled versatility
- **KENWOOD Planetary mixing action**
Gives unparalleled results even on small quantities
- **Solid metal construction**
Built to last a lifetime
