

## **BareMe™ 2-in-1 Facial Hair Remover**

Reference code/SKU: WFS200NA

Type #/Model: PG13A

### **Collection Summary:**

Confidently and comfortably remove unwanted facial hair with the REMINGTON® BareMe™ collection. Featuring hypoallergenic attachments and a protective cap with integrated storage, these versatile detail shavers keep your skin smooth and irritation-free—from brows to chin, wherever you go.

### **Product Summary:**

Tell unwanted facial hair to buzz off with the REMINGTON® BareMe™ 2-in-1 Facial Hair Remover. Why the BareMe™ 2-in-1? Because its **two hypoallergenic attachments** offer a gentle alternative to dermaplaning or waxing for getting rid of peach fuzz & brow shaping. One: The **Gentle Facial Shaver** is a single-track shave head that lightly exfoliates the skin whilst removing peach fuzz without pain. Two: The **Precision Brow Sculptor** features a white **LED ring light** to maximise visibility while shaping brows, whilst the precision shaving tip allows you to remove only the hairs that you don't want. Designed for versatility and convenience, it includes a protective cap with integrated storage that fits either the gentle facial shaver or precision brow sculptor, so you can always have two attachments with you, wherever you are. Additional features include an **up to 80-minute runtime**, an **LED indicator**, and a rapid 90-minute charging time. With its universal **USB-C rechargeability\*** and **worldwide voltage**, it's perfect for use at home or on the go. With the included cleaning brush and 100% waterproof design, cleaning is a breeze. This item is built to last and is backed by a **three-year limited warranty**.

### **Paper Summary:**

Unwanted facial hair doesn't stand a chance against the BareMe™ 2-in-1 Facial Hair Remover. Its two hypoallergenic attachments provide comfortable, versatile shaving. The **Gentle Facial Shaver** removes peach fuzz, while the **Precision Brow Sculptor** helps you achieve your favourite brow shape with ease. Includes a **cleaning brush** and universal **USB-C charging cable**.\*

### **Key Feature 1: 2 Functions in 1 - Hypoallergenic attachments**

Don't let hair get in the way of your skincare and makeup. Our **Gentle Facial Shaver** removes peach fuzz safely and comfortably removes peach fuzz while lightly exfoliating to reveal smooth, healthy-looking skin. It's a great alternative to dermaplaning or waxing, and is ideal for your forehead, jawline, chin, cheeks, and around your lips.

Our **Precision Brow Sculptor** helps you achieve beautifully shaped brows with ease. Its bright LED ring light enhances visibility, while the precision shaving tip allows you to remove only the hairs you want to go with confidence.

### **Key Feature 2: Unique Integrated Storage Cap**

Confidently bring this hair remover with you. The protective cap was specially designed with integrated storage that holds either the gentle facial shaver or

precision brow sculptor head. Attach one, store the other, and enjoy smooth on-the-go versatility.

### Key Feature 3: 100% Waterproof

Our 2in1 facial hair remover is 100% waterproof, which means that you can maintain peak performance and deep clean after every use.
