Kommenterad [RF1R3]: Change to Balder™ Head & Beard

### Collection Summary:

Bald just got bolder. The REMINGTON® Balder™ collection redefines grooming with ergonomically designed tools that put versatility and confidence in your hands. Whether it's your routine reset or you're embracing the bald for the first time, the Balder™ collection delivers fast, consistent results you can count on. From clean, skin-close shaves to defined edges and timeless beard trims, you're in complete control of your style.

### Short Product Summary:

Power up your shaving routine with Balder™ Head & Beard. Achieve skin close shaving in under two minutes<sup>1</sup> with **five powerful flexing blades**. Experience **more power and torque with the DURADRIVE™ motor<sup>2</sup>** and enjoy beard grooming with the **added T-blade attachment and combs**.

Kommenterad [FK2]: We have this trademarked in the DuraCut product copy docs, do we need to update to include TMs in this doc?

### Product Summary:

Pick up the cordless Balder™ Head & Beard for a quick shave with smooth, **professional at home results in under two minutes<sup>1</sup>** using five powerful flexing blades. The **DURADRIVE™ motor** puts power in the palm of your hand, with turbo boost mode for gliding through thick hair.

Kommenterad [FK3]: We have this trademarked in the DuraCut product copy docs, do we need to update to include TMs in this doc?

Quickly switch to the full-size **T-blade attachment and combs** to style your beard your way. With **over one month's usage<sup>3</sup> between recharges**, never be held back by low battery again.

Say goodbye to messy, stray hair trimmings with the handy **less mess hair pocket** and **100% waterproof design**. Cleaning has never been easier. Complete with a **premium travel case** and **travel lock** feature, the Balder™ Head & Beard is the perfect companion for people on the go.

### Key Feature 1: 5 x flexing blades

Five powerful, flexible blades provide a whole-head shave in under 2 minutes<sup>1</sup> to help you maintain your style in no time.

### Key Feature 2: DURADRIVE™ motor

The Balder™ Head & Beard's DURADRIVE™ motor gives you more power and torque<sup>2</sup>, making light work of head shaving. Turn on turbo boost mode to power through thick hair.

### Key Feature 3: T-blade attachment for combs and beard trimming (0.4 - 5mm)

For a seamless beard styling experience, the Balder™ Head & Beard comes with a full-size T-blade attachment and combs, ready for finding your facial hair style. This multifunctional, space saving tool means one less product needed to shape, trim and rock your beard.

### Key Feature 4: Over 1 month's usage<sup>3</sup> before recharge

With 80 minutes of runtime, you can enjoy over a month of usage<sup>3</sup> before recharging with the Balder™ Head & Beard.

### Product Features:

Feature	Benefit Explained
