- 1880 mm height
- 365 litre fridge capacity
- LED light
- Reversible door
- Rear feet adjustable from the front

A modern fridge for every home

Discover the perfect fusion of functionality and style in this sleek single-door fridge. Experience the joy of effortless organisation and stunning aesthetics combined in one product. With functional design and a reversible door this fridge is a perfect match to any kitchen.

Reversible door

In tight, compact kitchens, space can often be a challenge. However, this fridge's reversible door, provides an ideal solution for personalising and optimising its fit in your cosy kitchen.

LED light in the fridge for better visibility

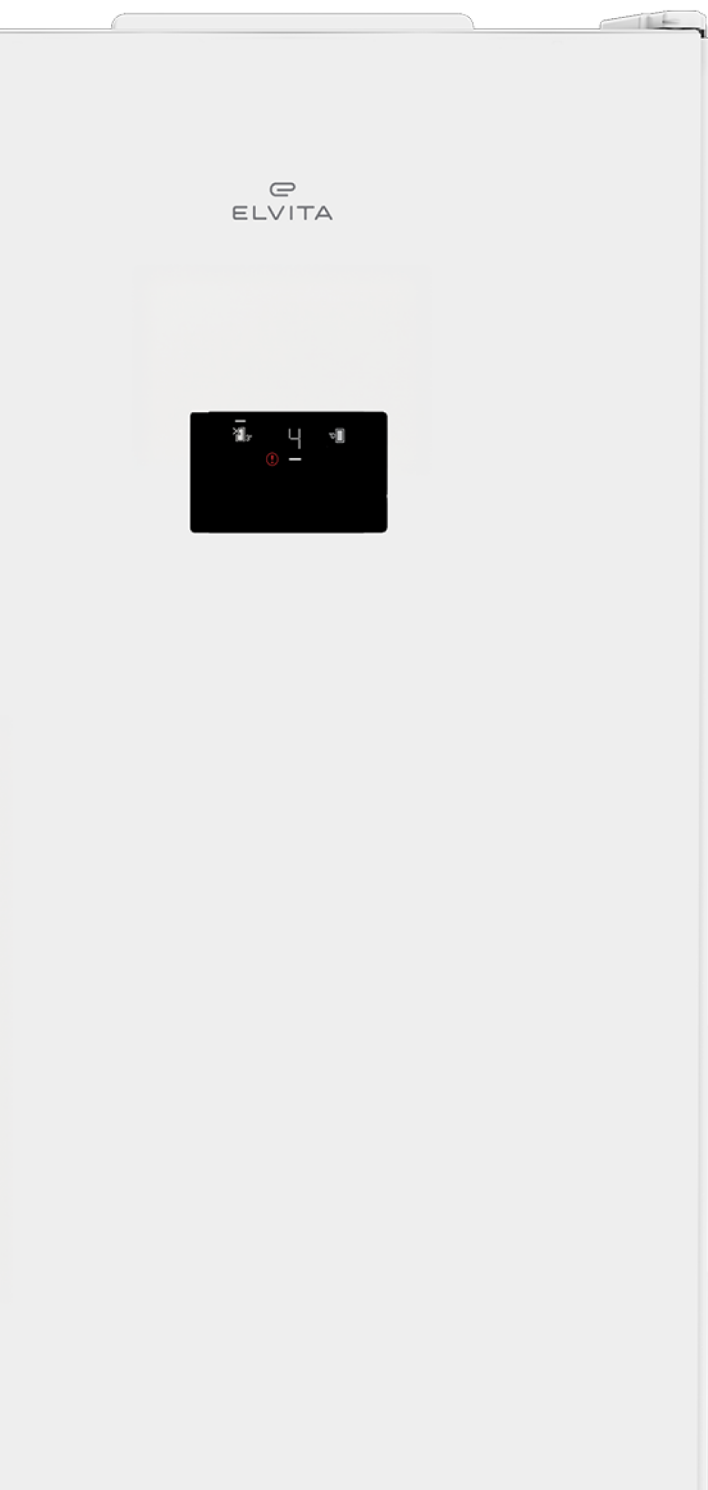

The product is equipped with an LED light inside the fridge compartment, making it a breeze to find exactly what you are looking for. Spend less time searching and more time cooking and enjoying delicious food.

Large capacity

The large capacity of 365 litres means that there is plenty of space in the fridge to store your groceries in an organised way. The interior is divided into door racks, glass shelves and spacious drawers with a transparent front panel, so you get a good overview of your groceries.

Adjustable feet

The adjustable rear feet provide an easy way to stabilise and level the product. With features that allow front access to the rear feet, the installation process is quick and efficient.
