CTT5900V Tumble dryer

- Drying capacity 9 kg
- 15 selectable programmes
- LED display
- Child lock
- Energy efficiency class D

An elegant and efficient premium tumble dryer

This exclusive tumble dryer features a touch panel, a clear LED display, and 15 selectable programmes. The elegant design, featuring a black control panel, blends seamlessly into a modern household. The machine is equipped with a child safety lock, making it suitable for all homes.

Customise programmes to suit your needs

Besides the drying programmes, this tumble dryer has settings to adjust the dryness level and add the Anti-crease option, which prevents wrinkles in shirts and other items. This dryer is flexible and an excellent companion for all your laundry needs.

You decide when it should be ready

You can use the Delay function to decide when the laundry will be done. The Time function allows you set the drying time. The Signal will alert you when the programme is finished, so you do not forget to take out the freshly dried laundry. Spend less time doing laundry and more time having fun.

Smart and efficient drying

The tumble dryer has several smart settings to dry clothes or other items made of cotton, synthetics, mixed materials or wool. It can also help you refresh dry clothes by airing them. For increased efficiency, the dryer has special programmes for drying sportswear, jeans, shirts and bed linen.

Convenient display

This tumble dryer is equipped with an LED display and a turning knob. You can choose from 15 programmes to dry your laundry. The tumble dryer also has an interior lighting to make it easier to see when taking out the laundry.

Product properties

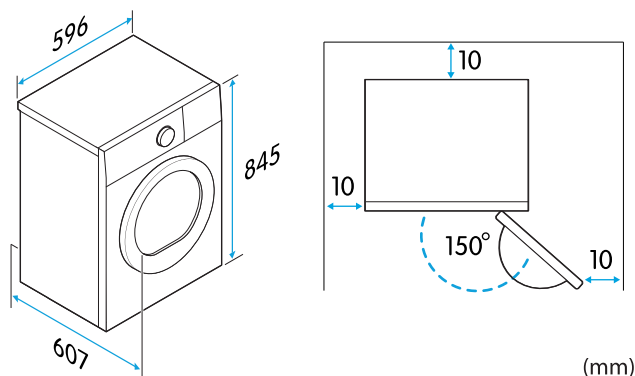

Colour	White
Installation	Freestanding
Heat pump	Yes
Drying capacity	9 kg
Display	Yes
Interior lighting	Yes
Humidity sensor	Yes
Delayed start	Yes
Anti-crease	Yes
