Adjustable feet

## CFS6185V Freezer

- 1880 mm height
- 5 transparent drawers
- 286 litre freezer capacity
- Reversible door
- Rear feet adjustable from the front

### The ultimate freezer for modern living

Enjoy spacious capacity and multiple storage options in this convenient single-door freezer. You do not need to compromise on storage space with the freezer's 286 litre capacity, ensuring you always have room for delicious treats. The freezer also comes with features such as Super freeze and door alarm to make your life easier.

### Large capacity

This elegant freezer offers ample storage space with five large drawers and three shelves. The transparent drawers make it easy to see all the contents, and you can quickly find what you are looking for or see what you are missing. A LED light in the ceiling illuminates the storage area, helping you quickly locate your favourite frozen treats. The capacity of 286 litres means that there is plenty of space in the freezer to store your frozen food in an organised way.

### Door alarm

No need to worry about the door being left open when someone in the family forgets to close it. If the door is left open for more than 2 minutes the alarm starts beeping to let you know that you need to close the door. With the door alarm, you save both energy and food from going bad.

### Adjustable feet

The adjustable rear feet provide an easy way to stabilise and level the product. With features that allow front access to the rear feet, the installation process is quick and efficient.
